REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Referring to claims 1-3, 11, and 12, the prior art of record does not teach or suggest tabs extending downward from the projections and a plurality of recesses in the cover assembly that register with the tabs, whereby a plurality of the cover assemblies can be stacked with the vertical tabs of each cover assembly extending down into the recesses of a cover assembly that is disposed beneath. While U.S. Patent No. 4,619,363 to Wolfseder disclose tabs and apertures in the cover aligned with the tabs for interconnecting and stacking containers, there is no motivation for extending the tab through the aperture in the immediate cover assembly and into the aperture of the cover or cover assembly below. Referring to claims 13-17, the prior art of record does not teach or suggest the top of the cover with a central, longitudinally extending portion in contact with said pressure plate and lateral portions extending upwardly from central portion at their inner edges or the top of the cover bowing upwardly from a central portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.
